Meet some of your Healthcare Support Team

Welcome, and here's a little bit about your team at Apex Recruit. We're more than just a recruitment agency – we're your trusted team and partner in finding the right talent quickly and effectively.

We believe in building relationships, not just placements, which means we get to know your needs inside and out. Our dedicated team is here to simplify your staffing process, offering flexible solutions, personalised support, and quick responses when you need us the most and you pick your rates.

What Makes Us Unique?

Personalised Approach

We love what we do and don't believe in one-size-fits-all. Every client and candidate is unique, and we tailor our services to match your exact needs.

Fast and Flexible

Need someone urgently? We offer quick placements with 24/7 support, ensuring you're never left without essential staff.

Quality Assurance

We maintain the highest standards, vetting every candidate for qualifications, DBS checks, and experience, so you can trust in the quality of our placements.

You Choose Your Own Rates

In a competitive market, we believe you should have control. At Apex, you set the rates that work within your budget, giving you flexibility and peace of mind.

Call us now on **0800 994 9214**, and we'll appoint your "team lead" who can talk through your specific needs.

Your Nurse Needs

UnderstandingYour PainPoints

It's 21:00 at night, and you've just been let down by a staff member. Your team is already stretched thin, and you're left wondering, "Who can I call?"

That's where we come in.

At Apex Recruit, we get it – the challenges, the last-minute scrambles, and the constant need for reliable support.

We created Apex with you in mind because we understand what you're going through every day, week, and month. We're here to lift the burden, so you can focus on what matters most: delivering quality care. We hear you!

Our Services

Tailored Candidate Matching

Each candidate is handpicked to suit your specific needs. We take the time to understand your requirements and only match you with those who fit perfectly.

Flexible Hiring Terms

Whether you need support for a week, a month, or longer, our flexible terms are designed to work around your needs, so you're never left short.

All-Inclusive Support

From DBS checks to payroll management, we handle all the details. That means one less thing for you to worry about – just dependable staff, ready to step in.

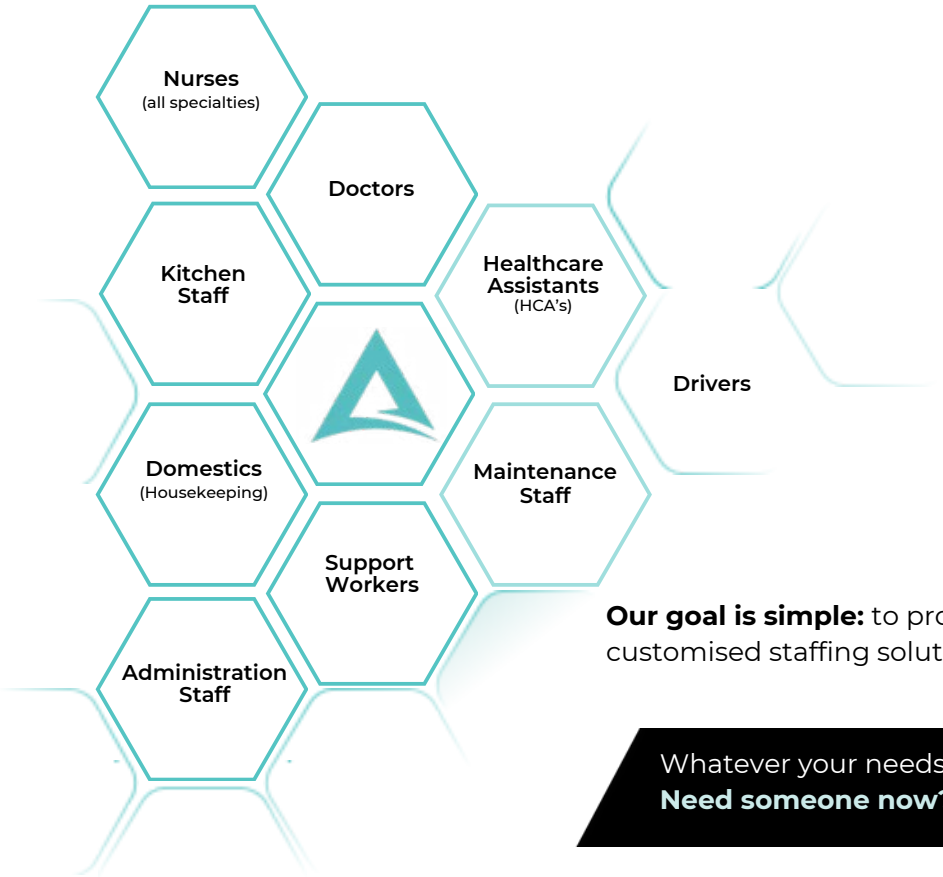
Full Range of Roles to Support You

We know that health care is a team effort – it's not just about having nurses on call.

Every role, from the nurses and healthcare assistants to housekeeping and admin staff, is a vital part of the bigger picture and when one piece of the puzzle is missing, the whole system can feel the strain.

That's why we don't stop at nurses. We provide support for every role in your team, because we understand that when even one part doesn't work, it can add stress you don't need. Let us take the weight off, so your team can work together seamlessly.

Roles We Provide



"Apex Recruit are your missing piece of the puzzle."

Our goal is simple: to provide you a one-stop-shop with flexible, customised staffing solutions that fit seamlessly into your team.

Whatever your needs, we're here to support you.

Common Questions

We get it– you need confidence in your staffing partner. Here are answers to some of the most common questions we receive, so you can feel assured every step of the way.

1 What types of professionals can you provide?

We supply a full range – from medical staff and support workers to domestic and admin staff – to meet all your staffing needs.

2 How quickly can you fill a role?

Our team moves fast. We can often have qualified candidates in place within hours.

3 What qualifications do candidates have?

All candidates are fully vetted, with up-to-date DBS checks and relevant qualifications.

4 Can you manage payroll?

Yes, we take care of payroll, so you can focus on care, not paperwork.

5 Do I set the rates?

Absolutely! We allow you to set rates that fit within your budget, giving you control over staffing costs.

6 How do you ensure candidates are a good fit?

We handpick candidates based on your needs and ensure they're the right match for your team's culture and requirements.

Our Compliance Promise

At Apex Recruit, safe guarding and quality are at the heart of everything we do. We know that when you book staff, you need complete confidence that every worker arriving at your service is safe, competent, and fully compliant. That's why we go beyond the basics to meet — and often exceed — industry standards.

Every Apex Recruit worker is:

Fully vetted – Enhanced DBS checks, verified ID, right-to-work, and employment history referencing.

Qualified and trained – Up to date with all mandatory training, including safeguarding, infection control, moving and handling, and medication awareness.

Health-screened – With completed occupational health questionnaires to confirm fitness to work.

Continuously monitored – Ongoing audits, feedback, and spot checks to ensure standards never slip.

Audited independently – Through Neuven compliance audits, giving you external assurance that our processes are robust and consistent with NHS and local authority requirements.

Why it matters

Reduced risk – Protecting your service users and your organisation.

Peace of mind – Knowing every worker meets the highest professional and safeguarding standards.

Trusted partnership – Demonstrating our commitment to safe, ethical, and transparent recruitment.

Our promise is simple: every shift is covered by a worker who is safe, compliant, and ready to deliver exceptional care.

Apex Embedded – Your In-House Recruitment Partner

Apex Embedded is our in-house style recruitment solution that gives care groups the consistency and dedication of their own recruitment team, but without the overhead costs – combining the reliability of internal hiring with the flexibility and reach of a specialist agency.

What's the difference between Apex Recruit and Apex Embedded?

Apex Recruit Agency provides ad-hoc, long-term and permanent staff on demand, while Apex Embedded works as your dedicated in-house recruitment team – giving you consistency, compliance and cost savings without the overheads.

Why choose Apex Embedded

Cost-Efficient – No salaries, no overheads. Only pay for what we deliver.

Dedicated Recruiters–A consistent team working directlywithyourmanagers.

*24/7 Support – Always available, unlike traditional in-house teams. Full Compliance – DBS, training, and ID checks included. Flexibility – From ad-hoc shifts to permanent hires. Rebates – Earn back an agreed % of quarterly spend. Scalable – Start small and expand when you need to.

How it works:

1. Discovery Call → We learn your needs. 2. Pilot Trial → 30–60 days in one region. 3. Dedicated Team → Consistent recruiters on your side. 4. Delivery & Compliance → Staff ready to go, fully checked. 5. Review & Scale → Measure results and grow.

All the benefits of an in-house recruitment team – without the cost or risk.*
